Shelters/Transitional Housing

- Trinity House - <http://tcmatlanta.org/>
 - Trinity House is a transitional housing program for formerly homeless men. It can accommodate up to 10 men at one time. During their stay, residents are expected to work on four basic areas toward the goal of self-sufficiency:
 - Remain Drug and alcohol free: Approximately 85% of the residents in Trinity House are in some form of recovery.
 - Securing employment: Residents are expected to secure employment within 30 days of entry into the program.
 - Develop independent living skills: for example, residents are encouraged to accumulate \$1000 before attempting to move out of Trinity House.
 - Find Permanent Housing: As residents near the end of their stay, they must find affordable, permanent housing.

- Task Force for the Homeless – <http://www.homelesstaskforce.org>
 - Emergency Overflow Shelter: The Task Force is committed to providing shelter and service to all individuals who need it. Our overflow shelter offers refuge to over 500 men nightly, acting as one of the most vital of services for those for whom no other programs are available. Providing emergency shelter beds allows us to immediately impact people's lives by providing a space for them to stay, and encouraging them to seek additional services through our Day Service Center for employment, housing and whatever needs they may have. Our Overflow Shelter is available to anyone seeking refuge from the streets, and is most often the first step in seeking additional services and resources.
 - Resident Volunteer Program: Men who are looking to get off the streets and into homes of their own are encouraged to apply first for our Resident Volunteer Program. The RV Program serves 42 drug-free individuals who are given permanent bed and storage space in exchange for a commitment of 24 volunteer hours a week to the operations and security of our organization. Resident Volunteers work under the Task Force staff to learn the ins and outs of our programs and services, enabling them to act as leaders within the larger community of individuals who stay in our building. This is a three to six month program, often times resulting in placement into our Transitional Housing Program – a program that lasts for up to two years.

 - Women and Children's Services: (404) 367-2465
 - Residential Recovery: Atlanta Union Mission's residential recovery program helps men and women overcome life-controlling issues such as addiction and abuse. The program focuses on spiritual enrichment along with individual and group counseling to address life-controlling issues. The program also offers educational classes, 12-step meetings, support groups, chapel and work therapy.
